

Where Kids Discover™

To schedule your party, please call any Michaels store. There is a minimum of five children per party/maximum of ten. A \$50 non-refundable deposit is required to reserve your party date and is due at the time of booking. The \$50 deposit will be applied toward the total cost of the party. Discounts or promotions may not be applied to party fees. The products for the projects selected must be paid for in full at the time they are selected and while supplies last. The parent or guardian of the guest of honor must be present during the entire party. Certain products may vary by store. Customer must provide all food (cake and refreshments) and party-related items.

An adult (non-employee) must check in each child as they arrive and check them out when they leave. The parent or guardian of the guest of honor should plan to have a designated adult (non-associate) assist them with this process. (Parties of 6-10 must have 2 adults (non-employee) present at all times.)

Cost of party includes invitations and staff for the party. It is important that children dress comfortably with safety in mind, and wear clothing that can get soiled, as some materials may not wash out completely.

***Parent to provide cake (if desired) or cupcakes, brownies or cookies, if project chosen is Wilton® decorating. Feel free to also bring snacks, pizza, etc. It's a party!**
